Future. I feel it they are doing
all they are doing to "show it to
me" so to speak. That it is
fair that they be held accountable
for the illegal things they did & are doing.
However, for our future success,
I could forgive that part.

I will bring this full circle. I'll
look past the actions and see the person.
The entire nation & world has seemingly
formed the wrong opinion about me.
You were the only one to see past the
lies. But you are doing the same to
m & j. You are painting them to be
horrible, just like what was happened to
me. Instead, meet them, then decide.

You I love you & whatever you decide is
OK by me. You are right, they have both done
horrible things to me and to Levi. But, regardless
of that, you would like me, I know it, and
it would put you in a better place quickly. I almost
tossed this letter because I bet you are pissed that
I'm stuck in the past. I'm not. I'm actually
looking out for your future. This would secure it.
Please don't disappear. I'm only trying to help you & us. It

ideal opportunity to make it work.
 I'm not there, so there is no
 actual "sham" that is gonna happen.
 Not yet. You would be able to
 establish relationships with me
 without me there, while you are
 building the empire. Once I am able
 to join, the transition would be much
 easier. And who is to say there would be
 "sham" even then. What happens for the
 public to see may not be so simple.

But I am certain we will be
 topping \$500,000 by the time I'm out.
 A few years later, \$1 million. You are
 smart, very smart, so is me and I think
 I may have a few brain cells left.

This could be giant!

I'm not gonna mention it any more. When
 the no-contact, I do not want anything to do
 with what you decide. If you pursue
 anything with either of them, anytime you are
 with them, record it. You need a record of
 it to ensure it isn't used in the wrong way.

Unless I hear otherwise, I plan on sharing
 the illegal activity of both of them in the
